Testimonials

"Dr. Villegas is magnetic on stage."

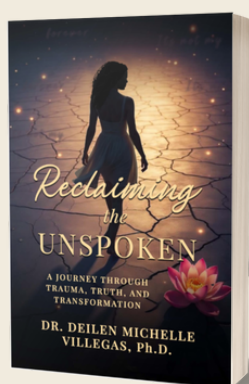

"She doesn't just speak, she transmits truth. Her presence is powerful, her message is transformative, and the way she weaves storytelling into deep healing wisdom left our audience in awe."

"Deilen's keynote was unforgettable. She made complex concepts about emotional healing accessible and relatable, and her storytelling style created such a safe, empowering space for reflection."

Improving Physical & Mental Health

Dr. Villegas will teach you how to integrate nutritional foods, herbal medicine, and somatic practice into your life to improve your overall mental, emotional, and physical health.

She will share with you how she's helped hundreds of patients and clients reduce or eliminate pharmaceuticals to improve their sleep, mood, focus, and overall well-being, and she will share nature's medicines for overcoming adverse events.

Author of published books coming out this year, and 6 available eBooks available on her website.

Founder of The Shamanic Goddess, LLC, a multidimensional wellness sanctuary and educational platform committed to mind-body-soul healing, trauma recovery, ancestral integration, and conscious leadership.

Dr. Deilen Michelle Villegas is a Board-Certified Holistic Health and Wellness Practitioner, Doctor of Philosophy in Natural Medicine, Metaphysician, and Spiritual Alchemist who bridges science, soul, and ancestral wisdom into a unified path of transformation. With over 18 years of experience in medicine—spanning Internal Medicine, Pediatrics, OB/GYN, Oncology, Triage, Mental Health, and Urgent Care—Dr. Villegas offers a rare fusion of clinical insight and spiritual truth.

She is the Founder and CEO of *The Shamanic Goddess, LLC*, a multidimensional wellness sanctuary and educational platform committed to mind-body-soul healing, trauma recovery, ancestral integration, and conscious leadership. Her life's work centers on helping individuals reclaim their power, rewire their minds, heal their nervous systems, and remember who they truly are at the soul level.

With credentials in Natural Medicine, Complementary & Integrative Health, Sexology, CBT, NLP, Hypnotherapy, Herbalism, and Somatic Therapies, she blends ancient teachings with applied neuroscience and quantum biology to offer grounded, science-backed spiritual teachings.

Her work honors both the mystic and the modern. She believes healing is not just a personal act—it is a revolutionary one. Her mission is to help others not only survive, but thrive in alignment with their highest timeline.
